Disabled Access

TECHNICAL INSTALLATION GUIDE

1

Access for the disabled is high on the agenda for many planners and specifiers since the Disability Discrimination Act made changes in 2004. Using Plaswood, the 100% recycled plastic alternative to timber, concrete and metal is the ideal choice for any access ramp and tables.

Product Range

Walk Through Picnic Table

Fully fabricated

Wheelchair Access Table

Fully fabricated

Ramps

Name	Table Height	Table Width	Seat Height	Seat Width	Overall Length	Overall Width	Other Info
